BUILDING A MORE INCLUSIVE WORKPLACE

Diversity, equity, and inclusion are essential elements of a healthy and productive workplace

ABOUT THIS COURSE

This training program is designed to provide participants with an understanding of the fundamentals of diversity, equity, and inclusion and how they can promote a more inclusive workplace. Through interactive discussions, case studies, and practical exercises, participants will learn about the key concepts of diversity, equity, and inclusion and develop strategies for creating a more inclusive and welcoming workplace within their own organisation.

OBJECTIVES

- ✓ Understand the fundamentals of diversity, equity, and inclusion
- ✓ Recognise and mitigate unconscious bias
- ✓ Enhance business success through diversity, equity, and inclusion
- ✓ Develop strategies for creating a more inclusive and welcoming workplace

COURSE HIGHLIGHTS

- 4-hour in-person or online training program
- A combination of interactive discussions/workshop activities, case studies, and practical exercises to engage participants and enable them to apply the concepts learned in a practical setting
- Customisable in-house training options
- Optional in-house 360-evaluation to determine your impact and further areas for development
- Optional post-training coaching by an Organisational Psychologist for further learning and accountability
